Go to the next light at 10th Street East (you will see a Travelodge on your right and a Rexall drug store on your left). **Turn right** onto 10th Street East.

Follow 10th Street East down the hill through downtown and continue up the hill on the other side of the river to the flashing amber light at the top of the hill (the only flashing amber light in town).

Turn left at the flashing amber light onto 6th Ave. West and go to the **second Stop sign**, which is 8th Street West. You will see a schoolyard on the southeast corner.

Turn left onto 8th Street West and go to the second street on your left. This is our street, 4th Ave. "A" West and it is marked with a **No Exit** sign.
